NA = Not applicable for this offer.												
I = Denotes the rate element in the preceding cell was increased on the effective date above.												
C = Denotes a country was added or changed.												
D = Denotes a decrease or the country was removed.												
Mileage = In determining the mileage associated with the above-referenced mileage bands, the distance between the originating dialing location to the recipient's called location is measured on the basis of airline mileage between the rate centers of the two stations involved. A rate center is a specific geographical location identified and used for the purpose of determining these mileage measurements.												
Mexico Note = Please refer to the Service Guide for additional information concerning Mexico Bands
